

# managing flood risk

A blue-tinted photograph of a flooded landscape, showing water covering fields and roads under a cloudy sky.

**Thames Catchment Flood Management Plan**

July 2008

We are the Environment Agency. It's our job to look after your environment and make it **a better place** – for you, and for future generations.

Your environment is the air you breathe, the water you drink and the ground you walk on. Working with business, Government and society as a whole, we are making your environment cleaner and healthier.

The Environment Agency. Out there, making your environment a better place.
